

Donate a Silent Auction Item Today!
Help the National Kids Construction Club
Eighth Annual Gala,
Saturday, March 1, 2008

Winter 2008

Dear Silent Auction Donor:

We invite you to donate a silent auction item for the Eighth Annual NKCC Tri-State Benefit, Saturday, March 1, 2008 at the Parsippany Sheraton. We will honor outstanding individuals from the New Jersey Land Improvement Contractors, Landscape Contractors, Truck and Construction Equipment Associations, Builder and Construction Groups.

Here's why we ask for your contributions! Students are losing their desire to learn "life skills" from basic repairs, to more advanced skills in electricity, plumbing and carpentry. Sadly, schools are reducing or eliminating practical arts classes. Fewer practical arts teachers are available due to dwindling college programs. Parents don't have the time! The NKCC teaches our youth that it is fun to learn life skills and it is great to become a self-sufficient adult!

Supporting the NKCC is a creative way to make the most of your charitable contributions. Participation provides exposure to many prominent people from the Tri-State area, extensive media coverage and silent auction program. Your contributions support the NKCC web site, safety coloring books, and life skills programs: *Creating Our Town Building Fairs*, *Future Homeowners of America Workshops*, and *Student-to-Student Connections in Carpentry, Plumbing and Electricity*.

Thank you in advance for your help and we look forward to hearing from you.

Sincerely,

Jerry Biuso, National Director, Land Improvement Contractors
Ashlee Binder McMackin, Binder Machinery Company
Co-Chairs for the Eighth Annual NKCC Gala
